REMEMBRANCE
Day

Nov.11

There was a lady who had triplets.
Shut up, Be quiet, and Trouble.
One day she told the boys to go
buy her some milk from the store.
They set off. When they got there
they walked around looking for the
dairy section. Somewhere along the
line a big mob of people came and
Trouble got lost. Shut Up and Be
Quiet went to a police officer that
was buying some bread.
Officer: What is your name?
Shut Up: Shut Up.
Officer: What is your name?
Shut Up: Shut Up.
Since Shut Up was not cooperating
he asked Be Quiet.
Officer: What is your name?
Be Quiet: Be Quiet.
Officer: What is your name?
Be Quiet: Be Quiet.
Officer:(really getting irritated)
Are you guys looking for trouble?
Shut up and Be quiet: YES,
YES, HAVE YOU SEEN HIM?

*This is the month that we remember the
ones who never came home and the ones
who are still fighting for all of us.*

Bill and Hillary Clinton go to a
Yankees game together. They had
VIP seats in the first row. All of a
sudden, a secret service agent
comes up to Bill and whispers in
his ear. A few seconds later, Bill
grabs Hillary and throws her out
onto the field! The SS agent comes
running back to Bill and says, "Mr.
President, sir, I think you
misunderstood me. I said throw out
the first pitch."

Two Cows are talking through a
fence. One cow says to the other,
"You know, I'm really worried
about this Mad Cow Disease." The
other cow says to him, "I wouldn't
be too worried about it. It can't
affect us chickens."

A man and his girlfriend were
out to dinner one night. The
waiter tells them the night's
special is chicken almandine and
fresh fish.

"The chicken sounds good; I'll
have that," the woman says.
The waiter nods. "And the
vegetable?" he asks.
"Oh, he'll have the fish," she
replies.

After examining the contents of the
employees' suggestion box, the
boss complained, "I wish they'd be
more specific. What kind of kite?
What lake?"

If at first you don't succeed, you'll
have a lot more friends.

Two traveling Angels stopped to spend the night in the home of a wealthy family. The family was rude, and refused to let the Angels stay in the mansion's guest room. Instead, the Angels were given a space in the cold basement. As they made their bed on the hard floor, the older Angel saw a hole in the wall, and repaired it. When the younger Angel asked why, the older Angel replied, "Things aren't always what they seem." The next night, the pair came to rest at the house of a very poor farmer and his wife. After sharing what little food they had, the couple let the Angels sleep in their bed. When the sun came up the next morning, the Angels found the couple in tears. Their only cow lay dead in the field. The younger Angel was infuriated, and asked the older Angel, "How could you have let this happen? The first man had everything, yet you helped him," she accused. "The second family had little but was willing to share everything, and you let their cow die." "Things aren't always what they seem," the older angel replied. "When we stayed in the basement of the mansion, I noticed there was gold stored in that hole in the wall. Since the owner was so obsessed with greed and unwilling to share his good fortune, I sealed the wall so he wouldn't find it. "Then last night, as we slept in the farmer's bed, the Angel of Death came for his wife. I gave him the cow instead.

Things aren't always what they seem." Sometimes, this is exactly what happens when things don't turn out the way they should. If you have faith, you just need to trust that every outcome is always to your advantage. You might not know it until some time later.

Johnson visited a seriously ill lawyer in the hospital. He found him sitting up in bed, frantically leafing through the Bible. "What are you doing?" asked Johnson. "Looking for loopholes," replied the lawyer.

Late one night, a burglar broke into a house he thought was empty. He tiptoed through the living room but suddenly he froze in his tracks when he heard a loud voice say, "Jesus is watching you!" Silence returned to the house, so the burglar crept forward again. "Jesus is watching you," the voice boomed again. The burglar stopped dead again. He was frightened. Frantically, he looked all around. In a dark corner, he spotted a birdcage and in the cage was a parrot. He asked the parrot: "Was that you who said Jesus is watching me?"

"Yes," said the parrot. The burglar breathed a sigh of relief and asked the parrot: "What's your name?" "Clarence," said the bird. "That's a dumb name for a parrot," sneered the burglar. "What idiot named you Clarence?" The parrot said, "The same idiot who named the Rottweiler Jesus."

Dumb and Dumber met in the middle of the desert. One was carrying a car door, the other an umbrella. The one with the car door said to the guy with the umbrella, "Why are you carrying that umbrella around, it isn't going to rain in the desert?" To which the guy with the umbrella replies, "Yeah", but it keeps me out of the sun! By the way, why are you carrying around that car door, you don't even have a car to go with it" The guy with the car door says, "yeah, well at least if I get too hot from the sun I can just roll down the window!"

A man whose wife was pregnant couldn't bear to be in the delivery room at the time of the birth. So he thought he'd ring up later to see if it had come yet. He rang up and the nurse said "it's a girl but there's another one on the way" He rang again later and the nurse said "it's another girl but there's another coming" He rang once more and the nurse said " it's a boy but there's another coming" He couldn't stand it any more so he went to the pub and got drunk. An hour later he was really nervous. He was dialing the hospital, hands shaking, and accidentally dialed the sports line. He asked " how many did we get mate" the person said "198 all out.... and the last one was a duck"

FREE KITTENS said the box beside the small boy at the Flea Market. "I want a better deal than that," said a prospect. The small boy scratched his head. "How can you buy something for less than free? "Well," the man explained. "I give you two of my kittens and you give me one of yours."

Q. Why was the student vampire tired in the morning?

A. Because he was up all night studying for his blood test!!!

Q. Why should a skeleton drink 10 glasses of milk a day?

A. It's good for the bones.

Q. Why don't witches like to ride their brooms when they're angry?

A. They're afraid of flying off the handle!

Q. Why don't skeletons like parties?

A. They have no body to dance with.
